As part of any volunteer recruitment process, Expert Citizens collect and processes personal data relating to your application. Expert Citizens **will not** use your data for any purpose other than your interest in volunteering and keeping you up to date with the work of Expert Citizens and VOICES, unless you give us permission to do so. You are under no statutory or contractual obligation to provide data to Expert Citizens during the recruitment process. However, if you do not provide the information, we may not be able to process your application properly or at all. By signing this form, you are also giving us permission to contact you.

What information does Expert Citizens CIC and VOICES collect?

We collect a range of information about you, but only what is necessary to process your application. We will then ask you for further information if you choose to go ahead and sign up as a volunteer.

Further information may be required if the post you are applying for has a requirement for a DBS check. If a DBS check is needed this will be carried out before you start in that role.

Data will be stored on a secure electronic filing systems and uploaded on your personal file. All hardcopies will be destroyed safely.

Why do we process personal data?

We

need to process your

Please tell us where you heard about our volunteer opportunities: _____

data to enter into contact with you. In some cases, Expert Citizens and VOICES needs to process data to ensure that it is complying with its legal obligations.
